General.

14. (1) For the avoidance of doubt, it is hereby declared that a primary election held for the purpose of electing candidates for a seat reserved for members of the Scheduled Castes may be proceeded with notwithstanding that less than four candidates stand at that primary election, and that the remainder of the election may be proceeded with notwithstanding that, by reason of a deficiency of candidates at the primary election or by reason of the withdrawal or death of candidates elected thereat, there are or remain less than four duly elected scheduled caste candidates for the seat.

(2) At a poll at any such primary election no voter shall have more than one vote.

(3) Save as expressly provided in this Order with respect to Bengal a member of the scheduled castes shall not be disqualified to hold a seat not reserved for members of the scheduled castes by reason that he has not been elected at a primary election as a candidate for a seat so reserved.

15. Subject to any express provisions of this Order to the contrary where at an election a poll is taken for the purpose of filling more than one seat, a voter shall have as many votes as there are seats to be filled on the poll and may give all those votes to one candidate, or may distribute them between such candidates and in such manner as he thinks fit.

16. (1) The provisions of this paragraph shall apply in relation to any election in a constituency where the seats to be filled include a seat or seats reserved for members of the Scheduled Castes or a seat reserved for a Maratha, a representative of backward tribes or areas, or, in the case of the Bengal Anglo-Indian constituency, a woman.

(2) If the number of candidates qualified to be chosen to fill a seat or seats so reserved is equal to the number of seats so reserved, all those candidates shall be declared to be elected to fill the reserved seat or reserved seats and a poll shall only be taken, if necessary, for filling any seat or seats not filled under this sub-paragraph.

(3) If the number of candidates qualified to be chosen to fill a seat or seats so reserved is greater than the number of seats so reserved, then, when the counting of the votes has been completed, the Returning Officer shall first declare that one, or those, of the qualified candidates to whom largest number of votes has been given to be elected to fill the reserved seat or the reserved seats.

(4) If the number of candidates qualified to be chosen to fill a seat or seats so reserved is less than the number of seats so reserved, all those candidates, if any, shall be declared to be elected to fill seats so reserved, and the Governor, exercising his individual judgment, shall by notification in Gazette call upon the constituency to elect a person or persons, as the case may be, within such time as may be specified in the notification:

Provided that where a constituency having been already so called upon has failed to elect a person, or the requisite number of persons, as the case may be, to fill a vacancy or vacancies, the Governor shall not be bound again to call upon the constituency to elect a person or persons to fill the vacancy or vacancies until such time as, exercising his individual judgment, he may think fit.

17. If, when a poll has been taken at an election, an equality of votes is found to exist between any candidates, and the addition of one vote will entitle any of the candidates to be declared elected, one additional vote shall be given by the Returning Officer to the candidate, or, as the case may be, the candidates, selected by lot drawn in the presence of the Returning Officer in such manner as he may determine.

18. (1) The fact that a person or body has, in relation to any constituency, more than one qualification to be included, or to nominate persons to be included, in the electoral roll therefor, shall not increase his or its rights as respects inclusion, or as the case may be, the nomination of persons for inclusion, in that roll.

(2) No person shall be entitled to be included twice in the electoral roll for any particular constituency, and the fact that a person is included twice in the electoral roll for a constituency shall not increase his rights as respects voting therein.

19. If a person is elected to more than one seat in the Legislative Assembly of a Province then, unless within the prescribed time he resigns all but one of the seats, all the seats shall become vacant.

20. (1) The dates on which nominations are to be made and scrutinised, polls held and other acts done in connection with elections to a Provincial Legislative Assembly shall be fixed by the Governor in his discretion.

(2) Nothing in this paragraph shall be construed as preventing Acts of the Provincial Legislature or rules from making general provision with respect to the intervals which are to elapse between the successive stages of an election.

21. (1) In all constituencies the electoral roll shall be prepared by such authority as the Governor exercising his individual judgment shall appoint:

Provided that in preparation of such roll the authority so appointed may, subject to any prescribed restrictions, employ such persons as he thinks fit.

(2) In all constituencies and at all elections the Returning Officer shall be a person in the service of the Crown in India.

22. (1) If the boundaries of any district or other administrative area mentioned in this Order or in the Sixth Schedule to the Act are altered, any reference in this Order or in the said Schedule to that district or area shall, as from such date or dates as may be fixed by the Governor, exercising his individual judgment, either for all purposes or for any particular purposes of this Order or of the said Schedule, be taken as a reference to the district or area as altered.

(2) Sub-paragraph (7) of paragraph thirteen of Part I of the Sixth Schedule to the Act (which relates to alterations in the boundaries of districts) shall cease to have effect.

23. The provisions of the Fifth and Sixth Schedules to the Act shall have effect subject to the minor amendments specified in the First Schedule to this Order.

26. Anything which under the provisions of the Act, or of this Order, is required or authorised to be done by, to or before the Governor of a Province in connection with the preparation of electoral rolls or the holding of elections, or otherwise for the purpose of constituting the Legislative Assembly of the Province in due time (whether or not the Governor is to act in his discretion or to exercise his individual judgment) shall, before the commencement of Part III of the Act, be done by, to or before the Governor in Council or, in the case of Sind or Orissa, the Governor.

THE GOVERNMENT OF INDIA (PROVINCIAL LEGISLATIVE COUNCILS) ORDER, 1936.

AT THE COURT AT BUCKINGHAM PALACE.

The 30th day of April 1936.

Present,

THE KING'S MOST EXCELLENT MAJESTY IN COUNCIL.

WHEREAS by section two hundred and ninety-one of, and the Fifth Schedule to, the Government of India Act, 1935 (hereafter in this Order referred to as "the Act") His Majesty in Council is empowered to make provision with respect to certain matters connected with Provincial Legislative Councils:

AND WHEREAS a draft of this Order has been laid before Parliament in accordance with the provisions of subsection (1) of section three hundred and nine of the Act and an address has been presented to His Majesty by both Houses of Parliament praying that an Order may be made in the terms of this Order:

NOW, THEREFORE, His Majesty, in the exercise of the powers conferred on him as aforesaid and of all other powers enabling Him in that behalf, is pleased by and with the advice of his Privy Council to order, and it is hereby ordered, as follows:—

PART I.

INTRODUCTORY AND GENERAL.

Introductory.

1. This Order may be cited as "The Government of India (Provincial Legislative Councils) Order, 1936."

2.—(1) In this Order except where the context otherwise requires—

"Executive Council" means the Executive Council of the Governor-General or a Governor,

"Legislature" includes any Legislature or Legislative Council under the Government of India Act, or any Act repealed by that Act;

"Minister" means a Minister under the Act or the Government of India Act;

"prescribed," except in the phrase "the prescribed date," means prescribed by an Act of the Provincial Legislature or by rules;

"rules" means rules made by the Governor under paragraph twenty of the Fifth Schedule to the Act,

"total income" means total income as computed for the purposes of the Indian Income-tax Act, 1922;

and, subject as aforesaid and to any other provisions of this Order, expressions to which a meaning is assigned by the Sixth Schedule to the Act, either generally or in relation to any particular Province, have, except where the context otherwise requires, the same meanings for the purposes of this Order, either generally or in relation to that Province, as the case may be.

(2) The fact that one of two constituencies is an urban, and the other a rural, constituency shall not prevent them being deemed to be constituencies of same communal description, if they are both general constituencies, or constituencies assigned to a specified community, and expression "seat of the same communal description" shall be construed accordingly.

(3) For the purposes of any reference in this Order to persons assessed to income-tax in any financial year and having in the year in respect of which the assessment was made a total income of not less than a specified amount, a person who is a partner in a firm which is assessed to income tax shall be deemed to be himself assessed in respect of his share of the firm's income on which income-tax is so assessed, and the amount to be included in his total income in respect of that share shall be such sum as may be certified in the prescribed manner.

(4) Any reference in this Order to all or any of the provisions of any Indian Act shall be construed as a reference to those provisions as amended by or under any other Act, or, if those provisions are repealed and re-enacted with or without modification, to the provisions so re-enacted.

(5) If the boundaries of any district or other administrative area mentioned in this Order are altered, any reference in this Order to that district or area shall, as from such date or dates as may be fixed by the Governor, exercising his individual judgment, either for all purposes, or for particular purposes, of this Order, be taken as a reference to the district or area as altered.

(6) If any question arises with respect to any qualification dependent on the holding of a title, order or decoration, the question shall be referred to the Governor-General in his discretion and his decision shall be final.

(7) The Interpretation Act, 1889, applies for the interpretation of this Order as it applies for the interpretation of an Act of Parliament

Delimitation of Territorial Constituencies.

3. (1) The territorial constituencies for the election of persons to fill seats in the Provincial Legislative Councils shall be as specified in the tables in the Schedule to this Order.

(2) Any reference in this Part of this Order to a territorial constituency shall be construed as a reference to one of the territorial constituencies aforesaid, and any reference in any of the subsequent Parts of this Order to a territorial constituency shall be construed as a reference to one of the said constituencies for the Province to which the Part in question relates.

(3) In the case of Madras and Bombay the number of seats to be filled by elections in the various territorial constituencies shall be as specified in the third column of Parts I and II of the Schedule to this Order.

In the case of Bengal, the United Provinces, Bihar and Assam one seat shall be filled by an election in each constituency, except that in Bengal three seats shall be so filled in the European constituency.

4. There shall be an electoral roll for every territorial constituency, and no person who is not, and except as expressly provided by the Fifth Schedule to the Act and this Order, every person who is, for the time being included in the electoral roll for any such constituency shall be entitled to vote in that constituency.

5. The electoral rolls for the territorial constituencies shall be made up and from time to time in whole or in part revised by reference to such date, in this Order referred to as "the prescribed date," as may be directed in each case by the Governor, exercising his individual judgment.

6. No person shall be included in the electoral roll for any territorial constituency unless he has attained the age of twenty-one years and is either—

(a) a British subject; or

(b) the Ruler or a subject of a Federated State; or

(c) if and so far as it is so prescribed with respect to any Province, and subject to any prescribed conditions, the Ruler or a subject of any other Indian State.

7. No person shall be included in the electoral roll for, or vote at any election in, any territorial constituency if he is of unsound mind and stands so declared by a competent Court.

8. No person shall be included in the electoral roll for a Muhammadan constituency, a European constituency or an Indian Christian constituency unless he is a Muhammadan, a European or an Indian Christian, as the case may be.

9. No person who is or is entitled to be included in the electoral roll for any Muhammadan constituency, European constituency or Indian Christian constituency in any Province shall be included in the electoral roll for a general constituency in that Province.

10. Notwithstanding anything in the Indian Income-tax Act, 1922, it shall be the duty of the appropriate Income-tax Officers to give to any person charged by law with the duty of enquiring into the qualifications of electors such information as is necessary for the purpose of enabling him to discharge that duty.

11. (1) No person shall in any Province—

(a) at the first elections held for the purpose of constituting the Legislative Council of that Province; or

(b) at the elections held in every third year thereafter to fill the seats of members retiring on the expiration of their respective terms of office,

vote in more than one territorial constituency, and if any person votes in more than one territorial constituency in contravention of the provisions of this paragraph, his votes in all those constituencies shall be void.

(2) In each Province such provisions, if any, as may be prescribed shall have effect for the purpose of preventing persons being included in the electoral roll for more than one territorial constituency.

(3) No person shall at any election vote more than once in the same territorial constituency and, if he does so, all his votes in that constituency shall be void.

12. No person shall be included in the electoral roll for, or vote at any election in, a territorial constituency if he is for the time being disqualified from voting under the provisions of any such Order in Council, Act of the Provincial Legislature or rules made by the Governor as may be made or passed under the Act with respect to corrupt practices and other offences in connexion with elections and the name of any person who becomes so disqualified shall forthwith be struck off all the electoral rolls for territorial constituencies in which it may be included.

13. No person shall vote at an election in a territorial constituency if he is for the time being undergoing a sentence of transportation, penal servitude or imprisonment.

14. The following provisions shall have effect with respect to the enfranchisement of women in respect of the qualifications of their husbands:—

(a) a woman who, at the date of the death of her husband, is included in an electoral roll for a territorial constituency by virtue of his qualifications shall, notwithstanding anything in the subsequent provisions of this Order, continue to be on the roll for that constituency unless she remarries or becomes disqualified under the foregoing provisions of this Order for inclusion in that roll;

(b) not more than one woman shall, at any one time, appear on the electoral rolls for the territorial constituencies of a Province in respect of the qualifications of any particular man, and any question which of several women is to be selected for inclusion shall be determined in the prescribed manner:

Provided that, if a woman, who is entitled by virtue of sub-paragraph (a) of this paragraph to remain on the roll of a territorial constituency, changes her place of residence, then, if she so desires, she may, on any subsequent revision of the roll, be transferred to the roll of such other territorial constituency as may be appropriate.

15. For the purposes of this Order any property owned, held or occupied or payment made by, or assessment made on, a person as a trustee, guardian, administrator or receiver, or in any other fiduciary capacity, shall, except as otherwise expressly provided in this Order, be left out of account

Qualifications of Candidates.

16. (1) The provisions of this paragraph shall have effect with respect to the qualifications to be possessed by members of the Legislative Council of a Province.

(2) A person shall not be qualified to be chosen to fill a seat which is filled by an election in a territorial constituency unless he is entitled to vote in the choice of a member to fill that seat or any other seat of the same communal description in the same Council.

(3) A person shall not be qualified to be chosen to fill a seat to be filled by a person elected by the members of the Legislative Assembly of a Province unless he is entitled to vote in the choice of a member to fill some seat in the Legislative Council of that Province.

(4) A person shall be qualified to be chosen to fill a seat which is to be filled by a person chosen by the Governor in his discretion if he is resident in the Province and is not disqualified to hold a seat by any of the provisions of the Act.

General.

17. (1) The dates on which nominations are to be made and scrutinized, polls held and other acts done in connexion with elections to a Provincial Legislative Council shall be fixed by the Governor in his discretion.

(2) Nothing in this paragraph shall be construed as preventing Acts of the Provincial Legislature or rules from making general provision with respect to the intervals which are to elapse between the successive stages of an election.

18. At an election in a territorial constituency where more than one seat is to be filled on a poll a voter shall have as many votes as there are seats to be filled and may give all those votes to any one candidate, or may distribute them between such candidates in such manner as he thinks fit:

Provided that in the European constituency in Bengal a voter shall not give more than one vote to any one candidate.

19. If, when a poll has been taken at an election, an equality of votes is found to exist between any candidates, and the addition of one vote will entitle any of the candidates to be declared elected, one additional vote shall be given by the Returning Officer to the candidate, or, as the case may be, the candidates, selected by lot drawn in the presence of the Returning Officer in such manner as he may determine.

3L

20. At any election by the members of a Provincial Legislative Assembly to fill seats in the Provincial Legislative Council, the returning officer shall be nominated by the Governor in his discretion, and nominations shall be made and scrutinised, polls held, and other acts done in connexion with the election to, by, or before the returning officer, or persons who are under his control or have been placed thereunder for the purposes of the election.

21. If a person is elected to more than one seat in a Provincial Legislative Council, then, unless within the prescribed time he resigns all but one of the seats, all the seats shall become vacant.

22. The Governor of a Province may at any time vary the name assigned to a territorial constituency if for any reason he deems it expedient so to do

23. Anything which under the provisions of the Act, or of this Order, is required or authorised to be done by, to or before the Governor of a Province in connection with the preparation of electoral rolls or the holding of elections, or otherwise for the purpose of constituting the Legislative Council of the province in due time (whether or not the Governor is to act in his discretion or to exercise his individual judgment) shall before the commencement of Part III of the Act, be done by, to or before the Governor in Council.

If, in any case, notice of at least three months is not given and the officer or servant has not been provided with other employment on the date on which his services are dispensed with, a gratuity not exceeding his emoluments for the period by which the notice actually given falls short of three months shall, with the sanction of the authority competent to dispense with the services of the officer or servant concerned, be paid to him in addition to the gratuity to which he may be entitled under the rules in that behalf.

19. (1) Unless it contains an express statement to the contrary, an order for the abolition of an

appointment or for the reduction of the emoluments of an appointment shall not be brought into operation before the expiry of three months after notice has been given to the officer or servant whose services are to be dispensed with, on such abolition or reduction.

(2) The executive authority shall be responsible for avoiding any unnecessary delay in giving such notice.

(3) In the case of an officer or servant on leave, the order shall not be brought into operation before the leave expires.

21 When candidates are required for employment in any post in a unit, preference shall be given to persons discharged or reverted from such posts in the unit otherwise than under clause (2) of sub-rule (a) of rule 17, so long as such persons desirous of such appointment are available, appointments being made in the inverse of the order in which they were discharged or reverted from such unit:

Provided that in the case of a person who did not on the date of his discharge or reversion hold the post substantively, he possesses the qualifications, if any, prescribed for the post or has, before discharge or reversion, been exempted by competent authority from the possession of such qualifications.

Provided further that nothing contained in this rule shall be deemed to give any person discharged or reverted under clause (1) or (3) of sub-rule (a) of rule 17 a right to be reappointed in preference to another who has been discharged or reverted later under sub-rule (3) of rule 7 and who is entitled to reappointment under sub-rule (4) of that rule.

22 Any person eligible for re-employment under rule 21, shall be entitled to appeal to the authority to whom an appeal from an order dismissing him would lie, on the ground that some person who should have been re-employed later has been re-employed before him. Such appeal shall be preferred within six months after the date on which such other person was re-employed.

23 The provisions of rules 21 and 22 shall, with effect on and from the date of the coming into operation of this rule, apply to persons discharged or reverted before that date but on or after the 1st January 1932, as if the said persons had been discharged or reverted in accordance with the provisions of rule 17.

AUDIT REPORT.

Audit Report on the accounts of the Andhra University, Waltair, for the year 1934-35.

Name of auditor—Mr. R. Raghavachari, District Inspector of Local Fund Accounts.

Time taken for audit—From 2nd October 1935 to 31st December 1935.

2. The transactions under each of the eight accounts separately maintained by the University and the provident fund, are shown in the statements appended. The opening balances in the several cash books are in agreement with the closing balances of the previous year. The closing balances in the cash books agree with the balances in the annual statements and are in agreement with the balances in the Bank and Treasury Pass Books after allowing for outstanding cheques and revenue not credited in the Treasury accounts within the year.

3. *Double payment.*—A sum of Rs. 52-6-0 was paid twice for the same scientific apparatus (4 dozens S.R. plates, 4 dozens S.R. pen and 1 dozen soft gradation pen) once to the supplying company, Messrs. Houghton Butcher, Limited, as voucher No 679 GL, dated 20th September 1934, and again to the Agents, Messrs. Andhra Scientific Company on voucher No. 181 Fee Fund, dated November 1934. The second payment was, however, recovered in voucher No 37, Fee Fund of April 1935 on a credit note sent by the Andhra Scientific Company. This double payment was perhaps rendered possible owing to the omission to note the payment first with the number of the payment voucher against the entry relating to the articles in the stock registers next.

4. *Loss in scientific apparatus.*—In furnishing a verification certificate of scientific apparatus, the head of the Physics department reported several articles costing Rs. 464 as having been lost and apparatus valued at Rs. 631 broken or damaged beyond repair. No information was available as to when the articles were lost or broken and also the persons responsible for the same. The matter would need enquiry and the orders of the Syndicate.

5. *Tenders not invited.*—(i) The work of constructing motor garages estimated to cost Rs. 3,500 was entrusted to contractor, Mr. G. Atchayya, on the same terms as for constructing kitchen for the hostel and warden's quarters, in Syndicate resolution No. 208, dated 15th May 1934, without inviting separate tenders therefor.

(ii) Tenders were not also invited for electrical materials costing Rs. 1,749-10-0 purchased during the year; but they were purchased from the firms at the market rates contrary to rule 27 of the Financial Rules in the University Code, which requires invitation of tenders for all purchases exceeding Rs. 100.

	Rs. a. p.
Voucher 625 GL/August 34. Cost of electrical lamps	178 3 0
281 S & E/March 1935. Electrical materials supplied by the Andhra Engineering Company	778 13 0
280 S & E/March 1935. Electrical materials supplied by the Crompton Engineering Company	792 10 0
	1,749 10 0

6. *Works done without a sanctioned estimate.*—In the cases noted below works were executed without a duly sanctioned estimate :—

(i) Sinking tube wells—Rs. 3,283.

(ii) Constructing a garage for bus.

Item (ii) was executed departmentally, and the expenditure was debited to the work "Constructing motor garages in the University."

7. *Preparation of bills—Defects.*—The sanctions were not noted on the bills wherever necessary and classification and purpose of the charge were not given in certain cases—for example vouchers 815, 979 and 1458 of General Account and 12 of the Endowment account.

8. *Payees' receipts wanting.*—Payees' receipts or treasury acknowledgments were wanting in twenty-eight cases for an aggregate amount of Rs. 6,488-8-6, as detailed in the Annual Objection Statement.

9. *Want of sanction.*—The sanction of the Finance Committee or of the Syndicate was not obtained in the several cases as detailed in the Annual Objection Statement. In some cases the sanction was obtained after payment. The sanction of the Syndicate was not obtained to the purchase of costly machinery and apparatus by preparing indents for all annual requirements. The total expenditure for the year, viz., Rs. 1,98,000 was approved by the Syndicate in resolution No. 42, dated 7th September 1935.

10. *Maintenance of accounts—Defects.*—(i) The stock books maintained in the Physics, Chemistry and Technology departments as well as those in the Electric department and Workshop are defective as articles of a costly and of a permanent nature are noted along with those which will be used up. Separate registers may be maintained for all articles of a costly and permanent nature as already suggested in paragraph 6 of the Audit Report for 1932-33. The annual verification of materials in the Chemistry, Technology, Workshop and Electric departments was not done though the defect was pointed out in the Audit Reports for the years 1932-33 and 1933-34. The annual verification of Library books was not also done for 1934-35.

(ii) *Workshop accounts.*—A register showing the orders placed with the Workshop and date of completion of finished articles, was not maintained prior to that date. No register was maintained to show the quantity of materials such as teak wood reapers, M.S. or brass rods and plates used up under each work order. A stock register of all finished items was not maintained. There was no record showing the nature of work in the Workshop during the year under audit.

(iii) *Bus accounts.*—Receipts were not granted to the staff for the money paid by each as required by rule 21 of the Finance Rules in the University Code. The pay of the office staff and teachers as well as the period for which the ticket was issued were not noted in the bus register so as to see if the fare based on their pay was properly levied and recovered. A log book showing the number of trips and total mileage every day was not maintained to check the consumption of petrol, mobiloil etc.

(iv) *Hostel accounts.*—The date of collection of rent and other dues from the students was not noted in the Hostel Demand Register.

11. The gross receipts and charges for the year were Rs. 8,14,352-10-7 and Rs. 10,34,714-8-10, respectively.

12 One hundred items of objections involving an amount of Rs 18,063-12-1 were pending settlement at the close of audit.

STATEMENT OF RECEIPTS AND CHARGES, 1934-35.

2 The wood has been classified according to the classes noted above. Intending tenderers are advised to inspect in advance the lots put up for sale, but they must accept the classification made at the depot as final.

3. Tenders should be superscribed "Tender for sandalwood" and sent by insured post to the Conservator of Forests, Salem Circle, Salem (Madras Presidency), so as to reach him on or before 11 a.m. on Wednesday, the 15th July 1936, on which date tenders will be opened.

4. Each tender should be accompanied by an earnest money deposit of Rs 1,000 in the form of currency notes for Rs. 1,000 or Rs 500. A receipted Madras Government Treasury challan for the amount will also be accepted

5 Each tender must specify the rate at so much per ton of 2,240 lb for each lot of sandalwood desired, both in figures and in words. No tender for part of a lot will be accepted

6 Earnest money deposits of unsuccessful tenderers will be returned immediately after the tenders are disposed of, and that of successful tenderers will be adjusted against the first instalment of the purchase money.

7. Each tenderer if his tendered rate for any particular lot is accepted by the Conservator of Forests, Salem Circle, Salem, will be furnished with a memorandum showing the total amount due from him. He shall remit 25 per cent of the money, less the earnest money deposit referred to in paragraph 6 above, into the Imperial Bank of India at Vellore or Madras or the Reserve Bank of India, Madras, within seven days from the date of receipt of the memorandum and another 25 per cent before the 15th August 1936, the balance 50 per cent being paid on or before the 15th September 1936, or against delivery whichever is earlier. Should any successful tenderer fails to make the necessary remittance, by the due dates, the money already remitted will lapse to Government and the District Forest Officer, Salem West division, Tirupattur, North Arcot district, will be at liberty to resell the wood in question at the risk of the successful tenderer who shall be liable for any loss, but shall not participate in any profit which may arise by the resale.

8 After 50 per cent of the entire sale value has been paid to the credit of the Forest Department, delivery of sandalwood shall be made to the successful tenderer, provided that until full payment has been made, a quantity of wood, equivalent to 25 per cent of the full sale value shall remain unremoved but paid for.

9. On the successful tenderer's presenting challans as proof that 50 per cent of the entire sale value has been paid, a proportion of the wood purchased will be weighed in his or his agent's presence and the quantity handed over to him as provided for in condition 8 supra. If, however, proof is produced that the entire sale value has been paid, the whole sandalwood purchased will be weighed and handed over. The successful tenderer must take delivery of and remove the whole of the wood sold to him on or before the 15th October 1936.

Should any excess over the quantity paid for be found in the quantity purchased when weighing at the time of delivery, the excess will be paid for by the successful tenderer at the rate at which it was originally purchased, before effecting removal. If any one successful tenderer has purchased fourth class sandalwood in one lot or class and of third class in another lot or class and debris in the other, when weighing at the time of delivery on a particular day, the value of the defect noticed, calculated at the rate at which the fourth lot or class was sold will be adjusted towards the value of excess quantity noticed in the other lot or class as the case may be, and the balance, if any, will also from the successful tenderer will be collected before permitting him to remove the quantity delivered during the day. If, however, the net quantity delivered results in a deficit on account of drying over the recorded quantity at the time of tender, the value of the deficit quantity at the tendered rate will be refunded in due course.

10. The successful tenderers, when deputing their agents to take delivery must furnish each agent with a power-of-attorney duly stamped and bearing the signature of the person so deputed. A copy of the power-of-attorney must also be sent to the District Forest Officer Vellore West division, Tiruppattur, North Arcot by post with four specimen signatures of the agent. Failing these, delivery may be refused pending verification, in which case the delay will count against the successful tenderer.

11. No further cleaning or classification of sandalwood will be undertaken by the Forest Department, nor will tenderers be allowed to clean any wood previous to weighment. The classification, cleaning and weighment as determined by the Forest Department must be accepted.

12. After the wood has once been weighed and handed over, if the successful tenderer fails to remove all the wood within the month allowed in clause 9, demurrage will be charged at the rate of Re. 2 per ton per diem from the last date fixed for the delivery until the wood is finally removed.

13. No sandalwood shall be removed from the depot till a licence to remove it signed by the Officer of the Forest Department, who delivered the wood, shall have been obtained and till every piece of sandalwood that can be stamped has been stamped with the district "Sale Hammer".

14. The successful tenderer shall bear the cost of taking delivery of the sandalwood.

15. The tenderer should give at least seven days' notice of his intention to take delivery, to the District Forest Officer, Vellore West, Tiruppattur, supported by Bank remittance in token of payment. No delivery may be made on holidays.

This earnest money will be refunded to the unsuccessful tenderers on application, after communication of rejection of the tender or at the expiration of two months from date of tender, whichever is earlier. This refund will be authorised by the Executive Engineer by suitable endorsement on the challan. 4. When a tenderer is to be accepted, the tenderer whose tender is under consideration shall attend the Division office on the date fixed by written intimation to him. He shall forthwith upon intimation being given to him by the Executive Engineer of acceptance of his tender sign an agreement in the proper departmental form for the due fulfilment of the contract. He shall also within seven days of such signing of the contract, make a security deposit of Rs. 50 in one of the forms prescribed in the Madras Public Works Department Account Code which deposit together with the earnest money and withheld amounts will be retained as security for the due fulfilment of the contract. If a cash security deposit is made by the contractor he shall follow the procedure laid down in the preceding paragraph for payment of earnest money and such deposit will not bear interest. To attend the Division office on the date fixed in the written intimation from such office or failure to enter into the required agreement or to make the security deposit as directed in this paragraph shall entail forfeiture of the earnest money.

5. The tenderer shall examine closely, the Madras Detailed Standard Specifications, and also the Standard Preliminary Specification contained therein, and sign the Divisional office copy of the Madras Detailed Standard Specifications and its addenda volume in token of such study before submitting his tender and rates which shall be for finished work complete. If the contractor, after examination of the source of materials defined in the Descriptive Specification Sheet, is of opinion that materials complying with the standard or other specifications of the contract cannot be obtained in quality or sufficient quantity from the source defined in the Descriptive Specification Sheet, he shall so state clearly in his tender and state where from he intends to obtain materials, subject to the approval of the Executive Engineer.

The Government will not, however, after acceptance of a contract rate pay any extra charges for lead or for any other reason, in case the contractor is found later on to have misjudged the materials available. Attention

of the contractor as directed to the standard "Preliminary Specification" regarding payment of freight, octroi, etc.

It shall be distinctly understood that the Government does not accept any responsibility for the correctness or completeness of this schedule, and that this schedule is liable to alterations by omissions, deductions, or additions at the discretion of the Executive Engineer, Kistna Eastern Division, as set forth in the conditions of contract. The tenderer will, however, base his lump-sum tender on the schedule of quantities. He should quote specific rates for each item in the schedule, and the rates should be in rupees annas, and in sums of three pies. The rates should be written both in words and figures and the units in words. The tenderer should also show the totals of each item and the grand total of the whole contract and quote in the tender a lump sum for which he will undertake to do the whole work subject to the conditions of contract. The schedule accompanying the lump sum tender shall be written legibly and free from erasures, overwritings or corrections of figures. Corrections, where unavoidable, should be made by crossing out, initialing, stating and rewriting.

10. Tenders offering a percentage deduction from or increase on the estimate amount and those not submitted in proper form or in which time will be required. Rates or lump-sum amounts for items not called for shall not be included in the tender. No alteration which is made by the tenderer in the contract form, the conditions of contract, the drawings, specifications, or quantities accompanying same will be recognized, and, if any such alterations are made, the tender will be void.

11. The tenderer should work out his own rates, without reference being made to the Public Works Department current schedule of rates or to the Public Works Department estimate rates which are not open for inspection by tenderers.

12. The attention of the tenderers is directed to the contract requirements as to the time of beginning work, the rate of progress, and the date for the completion of the whole work and its several parts. The following rate of progress and proportionate value of work done from time to time, as will be ordered by the Executive Engineer, certificates of the value of work done, will be required. Date of commencement of the programme will be the date on which the site (or premises) is handed over to the contractor.

13. No part of the contract shall be sublet without written permission of the Executive Engineer nor shall transfer be made by power-of-attorney authorizing others to receive payment on the contractor's behalf.

14. If further necessary information is required the Executive Engineer of the Division will furnish such, but it must be clearly understood that tenders must be received in order, and according to instructions.

15. The Executive Engineer or other sanctioning authority reserves the right to reject any tender or all the tenders without assigning any reason therefor.

16 Separate payment will not be made for bailing or pumping. The cost of all works necessary for any dewatering and protecting foundations found necessary during execution must be included in the unit rate.

ഉദ്ദേശകാരണങ്ങളുടെ വിവരണം.

ഹിന്ദുക്കളിൽ മിക്ക തരക്കാരെ അവർണ്ണരെന്നും അസ്പൃശ്യരെന്നും കരുതി പ്രത്യേകിരിച്ചു പാർപ്പിക്കുന്ന സമ്പ്രദായവും അനുവിധിക്കുന്ന സാമൂഹ്യനിയമങ്ങളും മറ്റും അവരനുഭവിക്കുന്ന ദുരവസ്ഥകളും സാർവ്വത്രികമായ കുതൂഹലപത്രത്തിനു വിഷയമായിത്തീർന്നിട്ടുണ്ട്. അയുക്തമായ അഗ്രഹാരമെന്നു സാധാരണയായി വിളിക്കപ്പെട്ടുവരുന്ന ഗ്രാമങ്ങളെ സ്വന്തമാക്കുന്നതും ഹിന്ദുക്കളിൽ പ്രധാനികളായവരുടെ

ളടയിലുള്ള പരിഷ്കാരേച്ഛകളും ഈ അയിത്താചാരത്തേയും അതുളവാക്കുന്ന അവശതകളേയും നിർമ്മാർജ്ജനത്തിനു നിരന്തരമായി പ്രയത്നങ്ങൾ നടത്തിവരുന്നുണ്ടു്. കോടതിയുടെ വഴക്കംമൂലം ഈ പ്രയത്നങ്ങൾ ഉദ്ദിഷ്ടത്തിലെത്തിയിട്ടില്ലെന്നു മാത്രമല്ല അധ്വർത്തവർഗ്ഗക്കാരുടെ അവശതകൾ പരിഹരിക്കപ്പെടാതെ ഒരു വലിയ അന്തരാളം ഇപ്പോഴും ഇന്ത്യയിലെങ്ങും വ്യാപിച്ചിട്ടുണ്ടു്. മനുഷ്യസമത്വത്തിന്റെ ഉണർത്തിനും പൊതുനന്മയുടെ പോഷണത്തിനും ഈ അവസ്ഥ ഉപയോഗിക്കപ്പെടാവുന്നതാണു്. അതിനാൽ, അയിത്തത്തെപ്പറ്റിയുള്ള തർക്കാതീതമായി നിലനിന്നുപോകുന്ന യാതൊരു അവകാശങ്ങളെയാകട്ടെ, അവകാശങ്ങളെയാകട്ടെ, സിവിൽ കോടതികളോ ക്രിമിനൽ കോടതികളോ അംഗീകരിച്ചുപോകരുതെന്നും വിലക്കുന്നതായ ഒരു പൊതു നിയമം ഉണ്ടാക്കുന്നതു ആവശ്യമായിരിക്കുന്നു.

ആകുന്നു ഡിക്രിയായി നടത്തുവാൻ എടുപ്പാട് ചെയ്തതായി മനസ്സിലാക്കുന്നു. ഡിപാർട്ടുമെന്റിന്റെ ഉദ്യോഗസ്ഥന്മാരുടെ സംസ്ഥാനത്തിലെ സിവിൽ കോടതികളെ ഇപ്രകാരമുള്ള ജോലികൾ ഏൽപ്പിക്കുന്നതിൽ ഇങ്ങനെയുള്ള കക്ഷികൾ ഉണ്ടാകുന്നതായി അറിയുന്നു. അതുപോലെ മറ്റു വല്ല സംസ്ഥാനത്തിലും പ്രവർത്തിച്ചിട്ടുണ്ടോ എന്നറിയുന്നില്ല. എന്നാൽ ഈ നടപടിയുടെ നിയമസാധുതയെയോ കാര്യസാദ്ധ്യതയെയോ സംബന്ധിച്ചിടത്തോളം ഇപ്പോൾ നിർദ്ദേശിച്ചിരിക്കുന്ന ഭേദഗതിയും നേടിട്ട വ്യവസ്ഥ ചെയ്യുന്നതുകൊണ്ട് സംതൃപ്തിവരുത്തുന്നതായിരിക്കുമെന്നു തോന്നുന്നു. കല്പനകൾ കഴിഞ്ഞതിനുശേഷം നടത്തുന്ന അന്വേഷണങ്ങൾ കാര്യത്തിന്റെ തുടക്കത്തിൽ നിലനിന്നിരുന്ന ശിക്ഷയെക്കാൾ കുറഞ്ഞ എന്തെങ്കിലും കണ്ടുപിടിക്കുന്നതിനുവേണ്ടിയാണെന്നുള്ള ഇങ്ങ്ലീഷ് കല്പന ലംഘിക്കുന്നതിനുള്ള ചുമതലയാണെന്ന് ചില്ലിൽ ഉദ്ദേശിച്ചിട്ടുള്ളതു്. അതിനുള്ള കാരണം തെറ്റായ കോടതി കൊടുത്ത ഇഞ്ചങ്ഷൻ കല്പനയുടെ ലംഘനത്തിന് കോട്ടുക്ഷയം സംഭവിക്കുന്നതിനെന്നുള്ളതാകുന്നു.
